

The Golf Shop @ University Ridge

The Golf Shop at University Ridge is the place to shop for anything related to golf and the University of Wisconsin. Adidas, Under Armour, and Cutter & Buck are just a few of the brands that you'll find in our shop, with a wide variety of choices added throughout the year. The Golf Shop is open year round and a kiosk at West Towne Mall is open in November and December to make seasonal shopping even easier. Almost all of our clothing features the University of Wisconsin shield which was replicated from the Field House at the University of Wisconsin. This subtle crest helps to give all of the apparel and hard good items a unique look and show support for the Wisconsin Badgers in the process. University Ridge was recently awarded 100 Best Golf Shops by Golf World magazine. This was the 11th time receiving the honor in 17 years. For special orders or to order specific items call 608-845-7700 or email Ryan at rw2@athletics.wisc.edu.
